

Kyle Hung

Director of the Board, CMU OmniClear
Head (Financial Market Infrastructure Services),
HKMA

Ms Kyle Hung is responsible for maintaining the stability and operational efficiency of the financial market infrastructures under the purview of the Hong Kong Monetary Authority (HKMA). Ms Hung joined the HKMA in 2007 and has worked in various areas including direct investment and market development. Prior to her current role, she was Head of the Operational and Technology Risk Division of the Banking Supervision Department of the HKMA. She had also served as a Division Head at the External Department, responsible for multilateral agencies and central bank cooperation.
