

CMU MEMBERSHIP YOUR CIRCLE TO GLOBAL CONNECTIVITY

The Central Moneymarkets Unit (CMU) serves as Hong Kong's central securities depository (CSD) for debt securities, a trusted infrastructure connecting global issuers and investors. By becoming part of the CMU circle, your institution gains direct access to our comprehensive range of post-trade services and liquidity management tools.

Leveraging CMU's extensive network of international and regional CSDs in various jurisdictions, you can efficiently invest in and manage global securities through a unified portal. Additionally, CMU offers specialised services for Bond Connect participants, enabling seamless access to China's bond market.
